

A decorative graphic consisting of a blue parallelogram and a grey rectangle. The blue parallelogram is positioned on the left, overlapping the grey rectangle. The text "LAF IBC Liner & Paper IBC" is centered within the grey rectangle.

**LAF IBC Liner & Paper IBC**

# IBC liner

IBC liner is a newly developed package for non-hazardous liquid storage and transport with intermediate outer box such as collapsible paper box, collapsible plastic box, steel drum, metal IBC, etc.

## ■ Options

Type : Pillow or Cube

Volume: 220L,1000L,1200L,1400L

Loading/ Unloading type: Top loading and top discharging, Bottom loading and bottom discharging, Top loading and bottom discharging

Material : nylon, EVOH, Aluminum etc.

Aluminum film: flexibility, oxygen barrier, sunscreen, antistatic.

## ■ Advantage

one-trip disposable package, no cleaning cost, small volume saving storage and transport cost

# Paper IBC

Traditional packaging products, such as wood box, metal box, and containers, are cost much with heavy weight. Also they are difficult to assemble and recycle and occupying large storage space.

Paper IBC designed by LAF is made of corrugated paper, it is environmental, easily recovered and collapsible during transportation and storage.

# Paper IBC Advantages

1x20'FCL can carry 20,000L with 20units paper ibc, only 17,600L with 80units 220L drum.

**cost-effective**

Easy to operate .No need to change the loading equipment and hire specialist. Only one worker can finish tassembling within 1 minute.

**User-friendly**

**Durable and Tough**

Paper IBC maximumly can bear 8000kg with 3 layers stacking limit.

**Eco-friendly**

100% recyclable material ; free from pollution.

Save space

Empty paper ibc is collapsible, take small volume during storage and transport, saving warehousing and transport cost.

# Parameters & applicable liquids

## Parameter

Capacity: 1000L

Loading/Unloading type: top load bottom discharge

Inner Bag: food grade PE film

Valve: 2inch BSP

Accessories: pallet, electric heating pad are available as optional choice
